SKYDIVING BLOG AND JERSEYS BY AUGUSTO BARTELLE

GOOD THINGS HAPPEN WHEN GOOD PARTNERS WORK TOGETHER.

We would not be able to impact the lives of so many people, without the commitment, collaboration and dedication of everyone who believes in this project.

Do you want a boost?
WE LOVE SKYDIVING

PARTNERS

At each jump, event and cities visited by our team in different countries, we identify a sky of opportunities and with the speed of a jump, we can do a lot more together.

**PROMOTING,
CREATING,
DEVELOPING
AND INVESTING.**

In addition to products and services from our supporters, we carry stories and challenges in our luggage.

In this global moment, especially sport and the genuine connection with brands and professionals who stand out for their courage, energy and strength, we are delivering messages and opportunities, building the future.

WE WANT YOU WITH US!

ABOUT

A composite image featuring Augusto Bartelle. In the foreground, he is shown from the chest up, wearing a blue, orange, and yellow striped long-sleeved shirt, looking directly at the camera with a slight smile. In the background, a faded image shows him inside a skydiving aircraft, pointing out the window towards a landscape below. The name 'AUGUSTO BARTELLE' is written in large, semi-transparent letters across the bottom of the image.

AUGUSTO BARTELLE

Many people are drawn to the thrill of jumping, but beyond the adrenaline there is a welcoming community - the skydiving family - of people who genuinely care for one another and are dedicated to lifting each other up, motivating each other, and pushing themselves to perform at a higher level. This is why skydiving has become central to my life, and I hope it will play a role in yours, too. Augusto Bartelle began skydiving in 2015. His first home drop zone was Skydance Skydiving in California. Since his first jump until now, he has already skydived in more than 12 countries. Augusto is a Speed Skydiving competitor. His personal record is 477.30 km/h during the Italian Nationals in 2019. Nowadays, Augusto Bartelle lives, skydive and manage his skydiving brand - Colorful Jerseys - in Empuriabrava, Spain.

COLORFUL JERSEYS

We love the sky! We want to be there all the time, and no matter how much time we are on the ground, our minds are always on the clouds!

We design and made the best jersey...

A skydiver in a colorful suit is falling over a city and coastline. The skydiver is wearing a suit with yellow, red, and blue sections. The background shows a city with a river and a coastline with a beach and ocean.
